

26 2 2016

Over the last year and a half I have been seeing Darryl. After a Full German Electro Acupuncture Diagnosis and treatment I have been having regular treatment with Acupuncture and Bodytalk and have changed my diet. My weight has improved and I am more confident. My life has changed for the better. I exercise regularly and am happier within myself. I look and feel great.

Thanks Mr Ufton for your ongoing support

Jewelle Brown

A handwritten signature in blue ink that reads "Jewelle Brown". The signature is written in a cursive style with a large initial 'J' and 'B'.
